

# The **Golf R 2.0TSI**

Model specification

# Shaped for performance

The all-new Golf R will get your heart racing as no other car can. Inspired by the technology and philosophy of motorsport, this phenomenal car delivers all the dynamic handling, exhilaration and excitement you could ask for, along with the class-leading performance and sheer driving enjoyment you'd expect from the fastest ever Golf.

# When fun hits the road

Widely recognised to provide thrills, chills and unparalleled excitement in every drive, the Golf R has always made an impression since its inception. Now, it's back for more. Complete with enhanced performance, better traction, and an aggressive new look, the all-new Golf R is set to raise the bar once more.

The all-new Golf R is designed to be competitive on the racetrack, yet comfortable and suitable for a daily drive. This is because it is fitted with specifications that provide the best utility, from the full LED headlights including cornering function and all weather lighting, daytime running lights, LED illumination strip between headlights, to the LED dynamic rear lights, and more.

# The spirit of

Nothing represents the spirit of motorsport racing the same way a Golf R does. Starting with the brand new R front bumper, R-style radiator grille and 19" Estoril alloy wheels, stretching all the way through to the running gear — the all-new Golf R truly bears the hallmark of a champion racer.

# Comfortably **stylish**

Step right in, and have a seat. With digital displays and ambient lighting that welcome you when opening the doors, it's the perfect place for a driver looking for excitement.

The luxurious interior of the all-new Golf R is fully fitted to a level of sporty comfort that you can both see and feel, from the R decorative trim in Carbon Grey, premium Nappa sport leather seats complete with the iconic R styling, all the way to the R performance steering wheel with blue backlit R button and shift paddles. Thanks to the R button on the sports steering wheel, the Race driving mode is always only one touch away.

Besides that, you can experience a seamless connection with the all-new Golf R via Wireless App-Connect® with support for Apple CarPlay and Android Auto. Access select smartphone apps right from your dash — maps, messaging, music, and more can be pulled up on your touchscreen for easy display and use.

# Get in the **fastest Golf ever**

Behold - the most powerful Golf ever produced. The all-new Golf R represents a new breakthrough in cutting-edge driving dynamics: an all-wheel drive and running gear closely integrated for the first time. With a 2.0TSI packing 320PS and 420Nm of torque alongside a 7-speed DSG transmission, the all-new Golf R can reach a top speed of up to 270km/h and accelerate from 0-100km/h in only 4.7 seconds. All these and more, make driving the all-new Golf R an experience like no other.

The all-new Golf R's 4MOTION All-Wheel Drive system introduces rear-axle torque vectoring, delivering a whole new level of performance. While cornering, more power can be directed to the wheel on the outside of the curve in a matter of milliseconds, therefore significantly increasing the agility of the Golf R, and your driving pleasure.

# All systems ready for take off

The future-forward design of the all-new Golf R puts innovation at your fingertips. The brand new interactive Digital Cockpit, 10" Discover Pro infotainment system and haptic-touch controls on the leather-wrapped steering wheel open up a new world of driving experience. That's not all, the all-new Golf R is able to remember your personal preferences for a wide range of functions, including air conditioning, lighting, radio, and navigation.

Take the wheel, conquer the road. Equipped with Driving Mode Selection, and a Vehicle Dynamics Manager with Dynamic Chassis Control, the all-new Golf R lets you to change driving modes from Comfort, Sport and Race, while providing you a new level of control with even more manoeuvrability.

Enhance your audio experience with the premium 480W Harman Kardon sound system with 10 high-performance speakers including subwoofer. It's not just listening to music — you become immersed in it.

# Peace of mind that comes naturally

To help protect occupants, the Golf R features six airbags as standard along with a number of safety systems, such as an Automatic Post-Collision Braking System, Electronic Stability Control (ESC), Side Assist, Driver Alert system, and more.

The Golf R also includes Volkswagen's Intelligent Crash Response System that shuts off the fuel pump, unlocks the doors, and switches on the hazard lights if the car is involved in certain types of collisions.
