

The all-new  
**Touareg R-Line**

Spec Sheet

# Beyond **the drive**

Introducing the Touareg R-Line – more than just a SUV, it's a masterpiece of engineering and design. With a sleek exterior and advanced technological features, every aspect of the Touareg is designed to make your journey better. Crafted for those who demand performance without compromise.

Exterior

## Turn heads, every corner

The Touareg R-Line presents a striking posture on the road, with its Dynamic 20-inch Braga, Dark Graphite diamond-turned surface wheels and distinctive R-Line Styling. Equipped with LED rear combination lamps that feature an illuminated Volkswagen logo, automatic headlight control, and dynamic Light Assist for unparalleled visibility, the Touareg is as functional as it is poised. Admire the sleek silver-anodized roof rails that underline its sophisticated design.

Performance

## Power, grace, and everything in between

Under the hood, discover the power of the 3.0l V6 TSI engine. It packs a punch with 340PS, all while making your ride smooth with an 8-speed automatic transmission. Thanks to the 4MOTION system, you're in for a stable ride no matter the weather or road conditions. Plus, with features like start-stop and generative braking, you get the perfect mix of power and fuel efficiency.

Drive how you want. The Driving Mode Selection is here for you. Brave through hurdles with our automatic slip-control differential giving you the ultimate confidence-inspiring journey. It's all about making every drive thrilling, yet effortless.

Interior

## Your comfort zone, amplified

Step inside to a world where comfort reigns supreme. Imagine settling into seats that keep you just right, whether it's hot or cold outside, all thanks to our active climate technology. Picture adjusting the vibe of your ride with 30 different colors of ambient lighting - and with our 4-zone automatic air conditioning, everyone gets to have their space exactly how they like it, be it warm or cool.

The front and rear seats, adorned in Vienna leather with the R-Line logo, offer power adjustment and memory features. The illuminated stainless steel scuff plates, and brushed dark aluminium decorative inserts accentuate the refined interior, making it a haven of luxury.

Illuminated

**Smarter,  
safer**

The Touareg R-Line is equipped with cutting-edge technology and safety features designed to protect and connect. A 12.3" Digital Cockpit and 15.0" Discover Pro Max infotainment system put control at your fingertips, while IQ.LIGHT matrix headlamps and DYNAUDIO sound system enhance your driving experience. Advanced safety systems including Adaptive Cruise Control, Lane Assist, Night Vision, and Autonomous Emergency Braking Front Assist ensure peace of mind on every journey.

safe

Equipment

## The little things?

We've got them covered

A load off your shoulders, the Touareg R-Line's ability to raise and lower the rear makes loading and unloading a breeze.

Our adaptive Air Suspension seamlessly fuses grace and rigor for an unparalleled driving experience. Whether you're cruising in the city (Normal), soaking up bumpy roads (Comfort), taking it to dirt tracks (Off-road), or tackling tough terrains (Special Off-road), the Touareg R-Line conquers the urban city and the rural jungle.

details

## **Not just any ride** – a voyage with stride

An epitome of Volkswagen's commitment to quality, power, and elegance, the Touareg R-Line model stands out in every aspect. Its distinctive R-Line exterior and interior features, paired with uncompromised performance, make it a benchmark in its class.

# Volkswagen Cares

We are committed to care and provide the best for Volkswagen customers. More than just a loyalty program, Volkswagen Cares applies on all levels and embodies how we interact, engage, and serve our customers better.

Customers may also download the Volkswagen Cares mobile application, an aftersales-led initiative to continuously improve the ownership experience. The mobile app comes with a list of features related to both sales and aftersales, including service offers, owner rewards, educational videos and tips, event updates, and 24-hours' roadside assistance - all at the touch of a button.

# Body & Paint

Safe and strong: Volkswagen Genuine Body Parts give your Volkswagen the necessary stability and offer you the best possible protection in the event of an impact. As we have developed all parts especially for your original, they fit like a glove. The result: you save time and costs in any repair and your Volkswagen remains an original through and through. Best of all, our paint and workmanship comes with 2-years warranty for peace of mind.

# Volkswagen Care Plus (VCP)

An integral part of Volkswagen Cares is Volkswagen Care Plus (VCP), an exclusive program for owners with a vehicle 5 years and older. With a minimal one-time payment fee, VCP member privileges include three 20% service discounts vouchers, 2-year extension of Volkswagen's Roadside Assistance, and more rewards. Interested customers can sign up at any authorised Volkswagen dealer to make payment before receiving their membership card.

# 24-hour Roadside Assistance

When your Volkswagen has a breakdown, our 24-hour roadside assistance service team is readily available to help you with the following services:

1. Tow assistance and recovery to the nearest Volkswagen service centre. For security reasons, towing service will not be provided to an unattended vehicle.
2. Emergency telephone call to family or friend of the Volkswagen driver.
3. Battery jump start. If your vehicle cannot be driven safely, towing services will be provided.
4. Flat-tyre change (if spare tyre is available) in a safe environment. Otherwise, towing service will be provided.
