All Space, All Adventure. The all-new Volkswagen Tiguan Allspace line-up launched from RM164,430

- Available in two variants, the Tiguan Allspace Highline and the Tiguan Allspace R-Line
- The all-new Tiguan Allspace R-Line set to become a high-achiever in its segment.
- Both variants locally assembled at the Volkswagen Pekan plant.

KUALA LUMPUR – Volkswagen Passenger Cars Malaysia (VPCM) today launched the all-new Tiguan Allspace line-up, in an SUV offensive that is set to make waves in the local SUV segment. Two variants are available; the Tiguan Allspace Highline 1.4TSI and the Tiguan Allspace R-Line 2.0TSI, both locally assembled at the Volkswagen plant in Pekan, Pahang.

An extended wheelbase version of the Tiguan, the Allspace sports bespoke front and rear ends. The exterior is accentuated with a significantly higher bonnet position with precise and sharper lines that run across the bonnet and front bumper giving it a stronger stance.

The longer wheelbase of the Tiguan Allspace makes the assertive-looking SUV a true space giant, offering versatility with multiple seat configurations. With the third-row seats folded, the available boot space is at 700 litres and with both seat rows folded, the SUV offers a massive boot space of 1,775 litres, the best in its segment.

The seven-seater combines dynamic performance, authentic off-road experience and embodies the new Volkswagen SUV DNA, making it extremely versatile with a high appeal factor.

True to its R-Line legacy, the Tiguan Allspace R-Line is a performance SUV, and its aggressive stance, coupled with 19" Sebring alloy wheels, commands attention on- and off- the road. It offers the highest power and torque in its class, thanks to an impressive output of 220PS and torque of 350Nm, and its capabilities are enhanced with a 4Motion all-wheel drive system. The interior is no less impressive, with the best connectivity features such as a Digital Cockpit and 9.2" Discover Pro infotainment system.

The Volkswagen R-Line variants take inspiration from the Volkswagen performance R range. The R-Line range is a sporty styling package fitted

onto the vehicle to give it an extra edge in creating an overall sportier look while maintaining great value.

Erik Winter, Managing Director of VPCM says that the growing SUV market in Malaysia offers a ripe opportunity for the Tiguan Allspace. "The SUV segment in Malaysia has grown by 65% and we believe it will continue to drive and lead the auto market. With the addition of the two Tiguan Allspace variants, Volkswagen will be able to cater to different SUV seekers by offering them a German engineered seven-seater option, with performance that is unrivalled."

A global bestseller for Volkswagen, the Tiguan broke barriers when it hit the sixth million mark in 2019 and became the best-selling model for the Volkswagen group in the same year. Now, a brand-new Tiguan rolls off the production line somewhere on the globe every 35 seconds.

Bookings and test drive arrangements can be made at all authorized Volkswagen dealerships nationwide. For more information, visit www.volkswagen.com.my

All-new Tiguan Allspace Highline 1.4TSI

Exterior

The all-new Tiguan Allspace Highline comes with full LED headlamps and taillights, 18" Kingston alloy wheels with front and rear fog lights.

Interior

An assortment of aesthetic and functional features is available in the Tiguan Allspace Highline. The interior is furnished with 'Vienna' leather seat upholstery, 12-way electric driver seat and "Climatronic" air conditioning system with 3-zone temperature control for the comfort of all passengers. Ambient lighting is also available to elevate the overall interior ambience. The leather multi-function steering wheels with paddle shifters and cruise control makes driving the all-new Tiguan Allspace Highline a breeze.

Engine and Performance

The Tiguan Allspace Highline combines a 1.4TSI turbocharged direct injection engine with a 6-speed wet clutch direct shift gearbox (DSG) to give an impressive output of 150PS and a torque of 250Nm. This SUV also provides fuel consumption reading of approximately 7.3l/100km.

Connectivity

Media Information

An 11.7" Digital Cockpit with high-resolution display colour thin-film transistor (TFT) incorporates functions and features in 2D and 3D graphic display for navigation and media. A six-view customizable screen offers a new level of personalization with over 30 combinations options.

Other features include a wide range of connectivity options through an 8" Composition Media touchscreen head unit which supports the rear-view camera and complete car menu and infotainment system.

Safety Features

The Tiguan Allspace Highline is equipped with key safety features such as six airbags, Electronic Stability Control (ESC), Anti-lock Braking System (ABS) and Brake Assist (BA), Multi-collision brakes, Intelligent Crash Response System (ICRS), Electronic Parking Brake (EPB) as well as hill-hold control.

All-new Tiguan Allspace R-Line 2.0TSI

The Tiguan Allspace R-Line comes equipped with the same features as the Tiguan Allspace Highline and much more.

Exterior

The Tiguan Allspace R-Line exudes sporty performance with R-Line front and rear bumpers, design strips on the front side panels, dual tipped tailpipes and a rear spoiler. The overall look is accentuated with 19" Sebring alloy wheels.

Interior

On top of the 12-way electric R-Line sports front seats that wrapped in Vienna leather, the interior features the R-Line badge the seats along with an R-Line steering wheel, stainless aluminium sports pedals, front and rear aluminium scuff plates, 'Dark Grid' decorative inserts and a black headliner.

Engine and Performance

The Tiguan Allspace R-Line is an SUV that boasts space, comfort *and* performance. A complete game changer, it is powered by a 2.0TSI turbocharged direct injection engine and mated with a 7-speed wet clutch direct shift gearbox (DSG) to produce an impressive output of 220PS and torque of 350Nm. This makes the Tiguan Allspace R-Line the highest performance vehicle in its segment.

4MOTION

The all-new Tiguan Allspace R-Line is fitted with 4MOTION, an all-wheel drive system also found in the Golf R. With 4MOTION, the vehicle's traction, acceleration, grip and off-road abilities are improved as the all-wheel drive system distributes the power between all four wheels when and where it is needed. The 4MOTION works hand in hand with other active safety systems in the car such as the Anti-lock Braking System (ABS), the Electronic Stability Programme (ESP) and the Hill Descent Control (HDC).

Connectivity

Aside from the high clarity Digital Cockpit, the Tiguan Allspace R-Line is equipped with a 9.2" Discover Pro navigation infotainment system that is easy to operate, thanks to plug-in App Connect (Apple Carplay, Android Auto, Mirrorlink), complete voice and gesture control to give drivers complete hands-free connectivity from their seat.

Driving Features

The Tiguan Allspace R-Line comes with Dynamic Chassis Control (DCC) with Driving Mode Selection for a more personalised drive with up to 15 driving style preference and four driving modes – Comfort, Normal, Individual and Off-Road. Each of the vehicles shock absorbers are connected to a system that calculates data from the sensors to provide optimum settings to suit the driver's preference and needs.

Safety

Hill Descent Control (HDC) is an additional safety feature that offers exciting off-road control when set in Off-Road mode. The feature, which is part of the 4MOTION system, applies the brakes and accelerator when and where needed to keep the vehicle moving at a controlled and stable speed downhill.

Colour and Price

Both the all-new Tiguan Allspace Highline and all-new Tiguan Allspace R-Line variants is available in Blue Silk, Pure White, Deep Black, Platinum Grey and Pyrite Silver.

The all-new Tiguan Allspace Highline is priced at **RM 169,990** and the all-new Tiguan Allspace R-Line priced at **RM213,490**. With the sales tax exemption, both variants are now offered at the recommended retail prices of **RM164,430.75** and **RM208,553.79** until the 31st of December 2020. Owners will enjoy 3 years free maintenance, 5 years unlimited mileage warranty and 5 years roadside assistance.
