

The new Tiguan

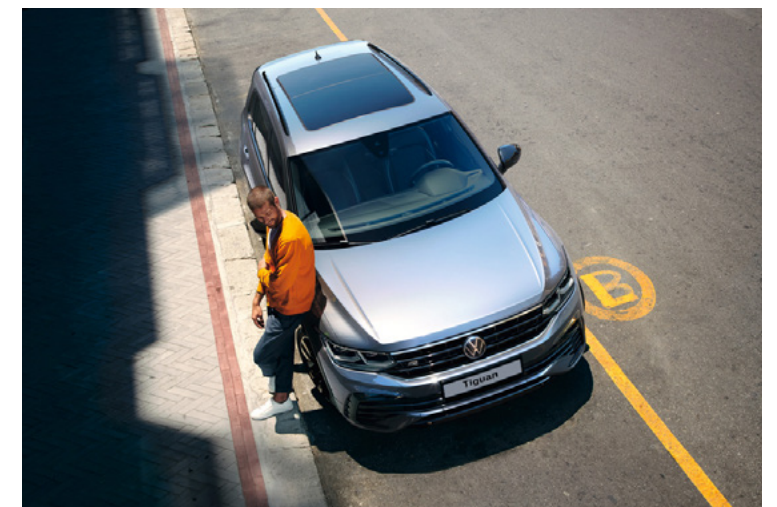

Specification guide

Singapore

Signature **look**

Sportier and more refined with sharp new looks, uncompromising functionality and better connectivity than ever before, the updated new Tiguan redefines what's possible in an SUV. The dynamic new design features stylish elements such as a higher bonnet, new wider radiator grille, eye-catching new bumpers front and rear, and exclusive new tail lights, giving a confident, assured new look, while powerful bodylines and precise proportions create an expressive silhouette that exudes charisma, strength and innovation.

Technical Data

Interior **comfort**

The new Tiguan comes with a wealth of intelligent driver assistance systems designed to make driving as easy and safe as possible. Whether you are travelling on motorways or urban city, the latest in infotainment technology, dashboard systems, and passenger comfort come together to turn trips into journeys.

01 Easy Open tailgate The 'Easy Open' and 'Easy Close' functions make it easy to operate the tailgate even when your hands are occupied - simply wave your foot below to open and close the boot.

02 3-zone Air Care Climatronic aircon Keep the temperature just right with three independently controlled temperature zones for the driver, front passenger and rear passengers. An active biogenic filter keeps allergens away, and an automatic air recirculation mode improves air quality in the car.

03 Panoramic sunroof The large panoramic sliding/tilting glass roof creates a spacious ambience while allowing your passengers to watch the clouds rolling past. At the push of a button, you can also let fresh air in by raising just the front section of the roof or open it as wide as you like.

04 Area View (R-Line) Area View enables the drivers to see the entire area surrounding their vehicle. It offers a number of views, which you can select according to the specific traffic situation and the action you intend to take.

Enhanced **safety**

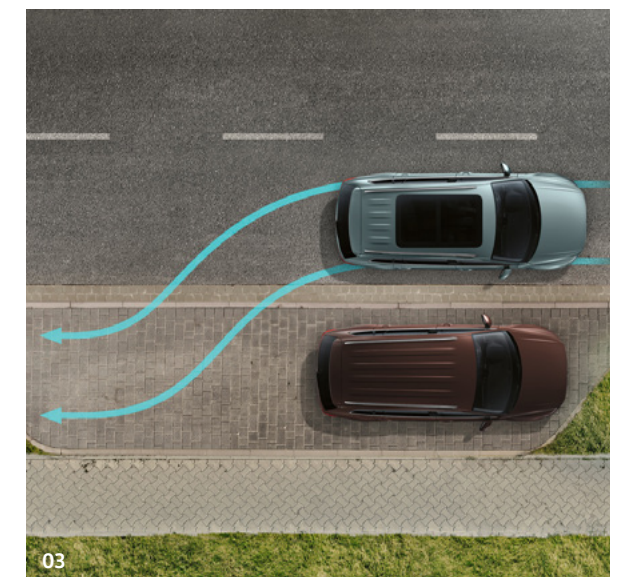

The Tiguan features intuitive safety systems to keep accidents at bay. With a Volkswagen, safety is never an afterthought. The Tiguan comes with a host of assist and alert systems that keep you sharp on the road.

01 Automatic Post-Collision Braking System Upon detecting an accident, the post-collision braking system kicks in faster than a driver can respond to prevent a multi-vehicle pile-up. The driver can then intervene and regain control of the car at any time.

02 Driver Alert System

03 Park Assist (R-Line) With the new Tiguan, parking anxiety is now a thing of the past. Sensors in the front and rear trigger audible signals to warn you of an imminent collision. Sit back and let the Park Assist system nimbly maneuver your car into the lot.

Unparalleled **performance**

More refined, comfortable and connected than ever before – the new Tiguan shows what it can do. Intelligent technology gives it exceptional abilities.

As a dynamic SUV it's redefining what's possible.

01 Best-In-Class

- Horsepower (190 PS)
- Torque (320Nm)
- Acceleration (7.4s)
- Top speed (214km/h)

02 Dynamic Chassis Control (DCC)

03 4MOTION Active Control a multi-functional and intuitive rotary knob and push switch used to control the all-wheel functions and associated driving modes.

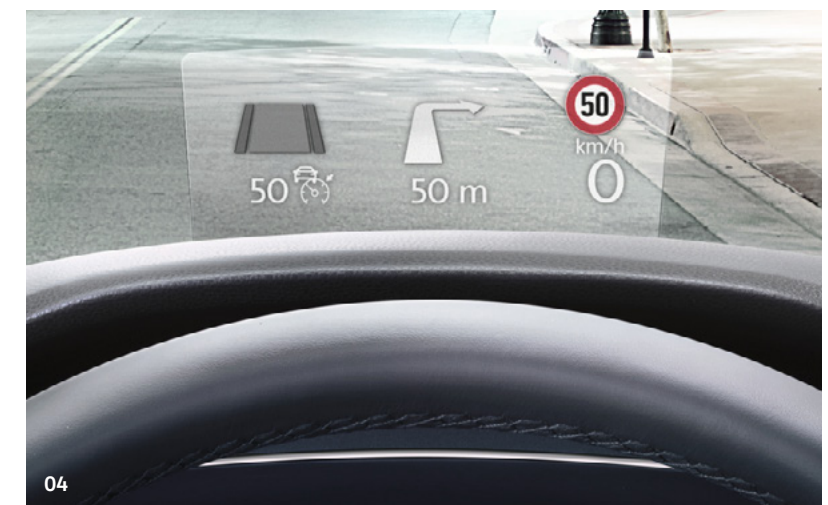

Intuitive **experience**

01 Digital Cockpit Pro

02 Wireless App-Connect (R-Line) App-Connect is for using apps and content conveniently. Music, news, maps or audio books are transferred to the display of the infotainment system, enabling you to operate them in your field of vision.

03 9.2" infotainment system with navigation (R-Line)

04 Head-Up Display (R-Line) Combiner system, in which a transparent glass disc in the cowl of the instrument cluster serves as a mirror for the information; when switched off, the disc retracts into a slot in the instrument cluster

Standard equipment: Tiguan Elegance

WHEELS AND SUSPENSION

- 'Auckland' alloy wheels, 7J x 19", self-sealing tyres 235/50 R19, anti-theft wheel bolts
- Steel space saver spare wheel, including tool kit and jack, warning triangle

- Cruise control system with speed limiter

EFFICIENCY

- Start-stop system
- Battery regeneration system, energy recovery during braking

Interior shown is new Tiguan Elegance with 'Vienna' leather upholstery and metallic paint.

1 The intelligent technology of Adaptive Cruise Control (ACC) with predictive cruise control cannot overcome the laws of physics and function only within the limits of the system. It is the driver's responsibility to have full concentration and control of the vehicle, as well as ensuring appropriate speeds by observing the maximum speed limits and road positioning of the car at all times.

The specifications listed are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, please consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Benefits of Volkswagen Cares

3 Years
Free Servicing

Cover all maintenance costs as per standard maintenance schedule

5 Years
Warranty

Complimentary manufacturer's warranty for your peace of mind

5 Years
Roadside Assistance

24-hour assistance service in the event of accidents

Benefits of Volkswagen Service

Express Service

Get your car back in three hours. This fast-track minor/major servicing includes Service Advisor dialogue, quality control, and a car wash.

* Express Service is strictly on an appointment basis only. Any additional concerns, rectifications or replacement of parts will not be classified as Express Service.

Free Shuttle Service

While waiting for your car to be serviced, a complimentary shuttle service is available to take you to and from nearby MRT station.

Time for an LTA inspection?

Reduce the chances of a re-inspection, with a thorough pre-check carried out by our technicians. If any rectification work is required, you'd be notified at once.

Your Benefits:

- Hassle-free, one-stop inspection service.
- The certainty that your car is ready for the roadworthiness inspection.
- Pre-check is free with any scheduled servicing.

Frequency:

Vehicle age, below 3 years: Nil | Vehicle age, 3 to 10 years: Every 2 years | Vehicle age, more than 10 years: Annually

100% Genuine Parts

Our service centre uses only Volkswagen Genuine Parts®. That means durable, reliable and optimal performance. To top it off, they're covered by a two-year unlimited mileage warranty.

Dealer Standard

With direct supervision from headquarters, experience reliable servicing that adheres strictly to factory guidelines.

Vehicle Warranty*

The protection against component repair and replacement cost, as well as the assurance that your car is repaired by an authorised Volkswagen workshop.

100% VW Trained Staff

All our Technicians and Service Advisors are certified under Volkswagen Group stringent supervision.

Pre-travel inspection

Going on a road trip? Minimise the risk of possible adverse events and breakdowns when you send your car for a pre-travel inspection.

Your Benefits:

- A thorough check, including on-board diagnostic test with the Volkswagen diagnostic tester.
- Peace of mind knowing your car is in good travelling condition.
- Pre-travel inspection is free with any scheduled servicing.

24-hour Roadside Assistance

No matter where you are or what time of the day it is, Volkswagen Roadside Assistance is available to give you a hand. We're only a call away. Just call our hotline at **+65 6333 8800**, and we'll be there to help.

Accident Reporting and Insurance Renewal Centre

In the event of an accident, rest assured that our insurance service advisor will provide comprehensive guidance to your accident reporting and vehicle repair.
